The data subject also has the right to object to the processing. If the right to object is exercised, the data controller reserves the right not to process the request and thus to continue the processing if there are compelling legitimate grounds to proceed with the processing that prevail over the interests, rights and freedoms of the data subject.

The above rights may be exercised by sending a request to the Data Protection Officer (DPO) at the following PEC address: dpo@pec.autostrade.it, using the forms provided by the data controller on the website www.autostrade.it.
